

**Quinn, 9**

**My Favorite Things:**

I like playing outside, riding bikes, and playing with other kids. I like playing board games, card games, Legos, and Pokémon. I really like the play place at McDonalds.

**Things I Do Not Like:**

I do not like people yelling or places that are loud. I do not like being uninformed about what I will be doing throughout the day.

**Favorite Foods:**

Pizza and chocolate are my favorites. I also really like lasagna, pancakes, ice cream, gummy candy, and hot chocolate.

**What I Want in a Family:**

I want a family with two parents who are caring and who will not give up on me.

**What We Want Families to Know About the Youth:**

There are times Quinn has a lot of energy. He is very bright and does well in school. Quinn is developing his social skills and continues to learn new strategies when interacting with peers. He likes to talk and engage with adults.

**What We Are Looking For In A Family:**

Families willing to be part of a team and able to advocate for needs both in the educational and community setting. Families who will be willing to provide Quinn with opportunities to find all of his potential and encourage him. A family with no other children would be ideal for Quinn.
